January College Combine & Seminar

**All High School Ages - Boys & Girls
Boys - Jan. 23, 2010 GaREAT Sports - Geneva, Ohio
Girls - Jan. 24, 2010 GaREAT Sports - Geneva, Ohio**

The Premier College Combines are a great way to be seen by college coaches during the winter months. Players are assigned to teams by position. Each player will play in at least 3 - 15 minute games spread throughout the day in front of college coaches. The GaREAT Sports Complex (seen here) are field turf fields with NO BOARDS. Each team consists of 6 field players and 1 goalkeeper. The college coaches will receive a resume book with a resume page for each participant.

The Sport Source will be putting on their The Sport Source® Plan For Success Seminar for players and parents prior to the start of the January combine games. This is an excellent way for both players and parents to get a better understanding of the college soccer recruiting process.

Following the January seminar, there will also be a coaches panel where both parents and players are able to ask questions of the coaches.

Space is more limited this year than in the past. Do not wait. Last year we sold out earlier than ever before and had to turn players away. You can register online at www.collegecombine.com

Each participant in the Premier College Combine in January will receive a copy of the newest Edition of the The Sport Source Official Athletic College Soccer Guide. This \$34.95 reference guide is included in the cost of registration. It includes detailed academic and athletic profiles for more than 1800 college soccer programs.
